

Transfer Committee Report

Annual General Transfer 2026 for Ministerial Group 'C' Staff (Up to Assistant Cadre) in Telangana Region

The Transfer Committee, constituted as per Regional Office, Telangana Office Memorandum No. 52.A/22/15/2023/AGT/Intra/Gr.C/E-I dated 12.02.2026, has met on 20.04.2026 and 21.04.2026 to deliberate and finalize the Annual General Transfers for the year 2026 pertaining to Group 'C' Ministerial Staff (up to Assistant Cadre).

A total of 93 online transfer requests have been received from the employees. The said transfer requests have been examined as per the provisions of the Transfer/Posting Policy issued by Headquarters vide File No. Pt -A-33/19/2/TransferPolicy/2022- E-II dated 10-01-2025. The comments and recommendations of the Transfer Committee are given below.

Station:

There are three Accounting Units, namely, Regional Office, Hyderabad (including eight Branch Offices and two DCBOs), ESIC Medical College & Hospital, Sanathnagar, Hyderabad and ESIC Super Specialty Hospital, Sanathnagar, Hyderabad located within the Hyderabad station. Hence, the postings among these three accounting units are considered as postings within the same station, and the maximum tenure is counted accordingly.

As per Clause 3.5 of the Transfer Policy, the eight DCBOs located outside the Hyderabad city (including its suburban area), viz. DCBO-SirpurKhagaznagar, DCBO-Ramagundam, DCBONizamabad, DCBO-Sadashivpet, DCBO-Mahabubnagar, DCBO-Bibinagar, DCBO-Warangal, DCBO-Khammam, are all different stations for the purpose of transfers.

Tenure:

As per Clause 4.3 of the Transfer Policy, the maximum tenure at a station is 10 years (station tenure) and maximum tenure at an office is 5 years (office tenure). In case of stations (8 DCBOS) located outside Hyderabad, maximum tenure is 5 years.

The Committee has considered only the maximum tenure at a station/office for consideration of transfers. The majority of the posts in the Regional Office, ESIC Medical College & Hospital, ESIC Super Specialty Hospital, Branch Offices, and DCBOs are sensitive in nature. Due to the lack of proportionate non-sensitive posts, recommendation of rotational

transfers between sensitive and non-sensitive posts could not be recommended under AGT-2026.

Transfers in respect of Assistant cadre: While some Assistants posted in Hyderabad station have completed maximum station tenure, their transfer could not be recommended to DCBOs located outside Hyderabad, since the Assistants posted in the eight DCBOs located outside Hyderabad could not be transferred due to their non-completion of maximum station/office tenure.

However, the Committee has considered the transfer of Assistants who have completed maximum office tenure of 5 years and recommended transfers, subject to availability of vacancies and administrative requirements.

Transfers in respect of Stenographer cadre: There are sanctioned posts for Stenographer cadre only within the Hyderabad station.

However, the Committee has considered the transfer of Stenographers who have completed maximum office tenure of 5 years and recommended transfers, subject to availability of vacancies and administrative requirements.

Transfers in respect of Upper Division Clerk: While some Upper Division Clerks posted in Hyderabad station have completed maximum station tenure, their transfer could not be recommended to DCBOs located outside Hyderabad, due to non-availability of vacancies and administrative requirements.

However, the Committee has considered the transfer of Upper Division Clerks who have completed maximum office tenure of 5 years and recommended transfers, subject to availability of vacancies and administrative requirements.

Transfers in respect of Mutual Requests: The Committee has also recommended the transfer of 02 UDCs on mutual basis, in accordance with Point No. 8 of the Transfer/Posting Policy issued by Headquarters.

Transfers in respect of Lower Division Clerk: The Committee has recommended the transfer of LDCs who have completed the maximum office tenure of 5 years and recommended transfers, subject to availability of vacancies and administrative requirements.

Transfers in respect of MTS cadre: While 03 MTS posted in Hyderabad station have completed maximum station tenure, their transfer could not be recommended to DCBOs located outside Hyderabad, since there are no MTS currently posted outside Hyderabad to fill up vacancies within the Hyderabad. There are no MTS who completed maximum office
